Welcome to the "Randen" streetcar

"Randen" is the nickname of the Keifuku Electric Railroad.

The Randen started in 1910, and has continued to operate as the only streetcar in Kyoto history since then.

Instructions

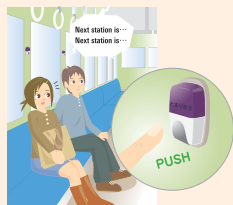

1 Getting on the train

Please enter the train from the entrance doors at the rear of the car.

2 When you want to get off the train

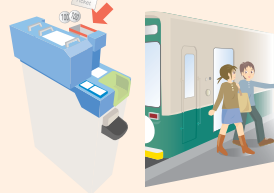

When the name of the station where you wish to get off the train is announced, press one of the nearby "Stop" buttons.

3 Getting off the train

Insert your ticket or fare into the fare machines in front of the exit doors at the front of the train car, then exit the train through the doors.

* At the final stations on the line, please pay your fare or hand in your ticket at the station exit.

You can also use a Surutto Kansai card.

[There is no ticket inspection when boarding the train. (Fares are collected at the end of your ride)]

Fare and tickets should be fed into the fare machine, Surutto Kansai cards can be used with the card reader on the fare machines.

Hazardous items are prohibited on the train

Prohibition of dangerous items on the train is stipulated by law. We ask for your cooperation in upholding this ban on dangerous items in order to proactively prevent any accidents.
