Events, Diversions and Disruptions: During the course of the year, many large events, such as the London Marathon and numerous other events and marches take place in Central London. These may require our routes to be diverted, and some of the stops may not be served. Our staff will be pleased to give you the information you require to ensure you can use our services with confidence. Routes and stops in the Docklands are liable to alterations and diversions as construction work on the 'CrossRail' project proceeds. Please check with Golden Tours staff if unsure.
